

## GREEN CASESTACK CARRIER

Below is a list of CaseStack carriers who practice green business operations. It shows which companies have certain features, green certifications or are SmartWay providers. The colors classify CaseStack carriers that have greater sustainable/green characteristics, with green color being the most and red the least.

- A). The Green Certification seal is an independent recognition of good corporate citizenship. The process concentrates on implementing environmental, corporate and social conservation standards and efforts into daily business operations.
- B). The Environmental Protection Agency's (EPA) SmartWay brand identifies products and services that reduce transportation-related emissions, resulting in significant, measurable air quality and/or greenhouse gas improvements while maintaining or improving current levels of other emissions and/or pollutants.
